**B. To be completed by the department :**

**1. Please provide a summary of the purpose of this legislation (Justification Statement).**

The purpose of this legislation is to install an all-way stop at the intersection of Norwood Avenue, N.E. & Dunwoody Street, N.E.

**2. Please provide background information regarding this legislation.**

Norwood Avenue & Dunwoody Street is a "plus" intersection. Norwood Avenue is the major street, the street without stop signs, and Dunwoody Street, N.E. is the minor street, the street with stop signs. An analysis of this intersection found that sight distance was limited and the volume on the minor street was high in comparison to the volume on the major street; therefore, an all-way stop sign is warranted at this location.
